Trojan Club

Welcome to the Trojan Club! The Trojan Club is an organization which provides assistance and support to student-athletes within the Mount Olive College 16-sport NCAA Division II athletics program. As our coaches work hard to build strong and competitive programs, it is gratifying to know the members of the Trojan Club are there for financial and moral support.

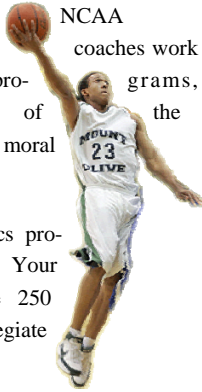

The costs incurred operating an athletics program increase significantly each year. Your financial contribution will benefit the 250 student-athletes competing in intercollegiate athletics at Mount Olive College.

As you know, we are very proud of our accomplishments. In the last four years we won one National Championship, two Regional Championships, twelve Conference Titles and had fourteen teams represented in NCAA Championships. What you might not know is that we are even more enthusiastic and excited about the future of Trojan Athletics.

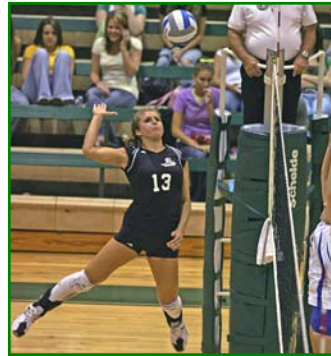

On behalf of our coaches, administrators, staff, and student-athletes, thank you for your support. Go Trojans!
