## Dear Camper:

Hello! This is Coach Wendy Lee, the Head Coach of the Mount Olive College Women's Basketball team. We would like to invite you to come to our fun and exciting Basketball Camp at Mount Olive College this summer from June 22-24<sup>th</sup>.

The summer is a great time to improve your basketball skills and we think our camp will be great place for you to do this. At our camp you will meet other girls that want to work on their game and skills and you will make new friends as well. Our players will be at camp to work with you on basketball fundamentals and to play games and competitions with you.

Our Basketball Camp is designed to teach the fundamentals of basketball and to provide instruction that will help advance individual and team skills. We will work on the major aspects of the game such as shooting, rebounding, and defensive principles.

Understand that you will be required to work hard! Hard work is necessary for you to be successful in anything you do. We will also emphasize the dedication and discipline that goes along with being a successful student and TEAM player. We look forward to seeing you this summer!
