

CONGRATULATIONS!

“Share your Success” with someone special.

This is a special day in your life and many people helped you to reach this benchmark. Was it a parent, spouse, child, professor, a co-worker, pastor, staff person, classmate or maybe someone who has passed away and isn't here to share this time with you?

Whoever helped to make this day possible for you, show your gratitude, your appreciation and your love by remembering them in a special way as well as doing something for your alma mater.

Purchase a brick that will be placed at the Alumni Cross Walk with that special person's name.

As you can see each brick has room for three lines with up to 20 characters each which includes spaces, punctuations, etc.

Please include name and address for the person you are honoring along with address of the closest relative should this person be deceased. An acknowledgment card will be sent to your honoree or to the relative that you indicate to let them know what you have done and for whom. We also need your complete name and address.

Bricks are \$100 each and there is no limit. (Purchase one for yourself with your year!) Complete the enclosed form and return to Mount Olive College, Alumni Relations Office, 634 Henderson Street, Mount Olive, NC 28365.

Please check out our MOC Alumni Webpage with *Alumni Photo* section of alumni families and watch for new links to our *on-line community* and new *BLOG*. Please remember to keep in touch and always go to the *Submit Alumni Update* section of our Alumni Webpage to update your information especially if you have a new address, new job or promotion, new birth, etc. Again, **“Best Wishes”** in all your future endeavors.

Thanks,
Dianne B. Riley, Director

MOUNT OLIVE COLLEGE
ALUMNI CROSS WALK

The richness of any institution is its heritage. The Alumni Cross Walk is a reminder of our founders' vision; a manifestation of pride in the accomplishments of the College's alumni; and a symbol of our hopes, dreams and prayers for the future.

What is the Alumni Cross Walk?

- It is a beautifully landscaped garden with a garden house and walkways. The garden house is superimposed on the center of a brick walkway in the shape of a Celtic cross. The structure is octagonal and open. The roof is supported by eight columns in a contemporary architectural style consistent with other buildings on campus.
- Centered under the roof is a pedestal containing the cornerstone and bell from the old school on Breazeale Avenue.
- The walkway, made of the actual red bricks from the old school building, is landscaped with shrubbery and seasonal flowers. It is located on the commons just north of Kornegay Arena and in line with Moye Library.

What is the purpose of the Alumni Cross Walk?

- To provide a meaningful connection between the present and the past. Mount Olive College's heritage and reputation result from the vision, achievements and support of its founders, alumni and benefactors.
- To honor the many Mount Olive area citizens who received their primary education in the old brick school on Breazeale Avenue before the building was purchased by the College in 1953 and to symbolize the strong linkage that has existed between the College and the citizens of Mount Olive over the years.
- To recognize in perpetuity the faith and generosity by so many to make possible what exists today.
- To inspire present students and alumni to maintain a life-long relationship with their alma mater and accept responsibility for its continued viability as an institution of higher learning by contributing to the extent that they can.

How can I participate?

- By contributing \$100, names/message will be engraved on plaques placed adjacent to the walkways.
- Funds raised in excess of those for the Alumni Cross Walk will be applied to the College Fund.

Each brick may have up to three lines with maximum of 20 characters including spaces, periods, etc. Please PRINT your preferred engraving below. Be sure to include the name and address of the person to receive acknowledgement as well as your complete name and address.
