GIVING HIGHLIGHTS

A New Record Number of Donors Supporting MOC

by Vickie Robinson
Director of Development

For more than 58 years Mount Olive College has been transforming lives through Christian higher education. As one of the fastest-growing private institutions in North Carolina, Mount Olive College's impact is far reaching. This past year, alumni and friends in record numbers demonstrated their loyalty by financially supporting the College.

Between July 1, 2008 and June 30, 2009 (fiscal year 2008-2009), a new record number of donors contributed to Mount Olive College. The number of individuals or organizations that supported MOC was 3,790. Each and every gift has made a collective impact on the institution. The work of transforming hearts and minds simply could not be done without this generosity. On behalf of the Mount Olive College community, please accept our sincere appreciation for your gift support.

Despite a challenging economy, this past year resulted in an increase of overall giving compared to the previous year. Included in this increase were two major gifts exceeding \$2 million in total. We feel very blessed and thankful for the commitments made to resource the mission of Mount Olive College.

The following are the highlights of financial gifts received by Mount Olive College in fiscal year 2008-2009:

Highlights of financial gifts received in fiscal year 2008-2009

- Total gifts (annual fund and endowment) to MOC and the MOC Foundation totaled \$4,786,487.
- \$3,930,817 was contributed as unrestricted or temporarily restricted gifts to the College for critical operating expenses through both the annual fund and extraordinary gifts representing stock, bequests and in-kind donations.
- The average gift was \$1,241.81.
- 742 gifts received by the College were from first-time donors.
- A record 773 alumni, up 9% from the previous year, contributed \$290,822.
- Members of the Original Free Will Baptist Church exceeded fundraising goals by contributing \$540,427 through the fall dinner program. This number is a 2% increase over the previous year.
- Business Associates (\$1,000+ annually) totaled 130.

With an uncertain economy, it is heartening to know that Mount Olive College donors remain dedicated. An astounding 968 donors over this past year have given gifts to MOC for ten or more consecutive years! That is a tremendous statistic that many other colleges do not experience.

The Mount Olive College Society continues to grow. Comprised of individuals or organizations that contribute \$1,000 or more on an annual basis or make an irrevocable planned gift, the MOC Society has almost doubled in size since its inception in March 2007. Beginning with 288 charter members, the Society reached 549 members by fiscal year's end. MOC Society members contributed more than 86% of the financial gifts received in the fiscal year. Society members are vitally important to the continued growth and success of Mount Olive College.

Mount Olive College is a blessing to so many, and you are a blessing to the students of Mount Olive College!

Include MOC in your Will

A will is a statement about what matters most in your life. By making a will, you can ensure that your intentions are clearly expressed, and that they will be followed by those administering your estate. Including MOC in your will is the most common and simplest form of planned giving. Individuals may include MOC in their wills for either a specific amount or a percentage of their estate. Donors can also name MOC as the residual beneficiary of their estates after payment of bequests to others.

Benefits of leaving a bequest to MOC include:

- You do not have to part with your assets as long as you live
- You do not owe any estate tax on the amount of the bequest
- You may change a bequest at any time
- A bequest allows you to leave a legacy
- A bequest qualifies you for membership in the Mount Olive College Society
- Informing MOC of your bequest allows us the opportunity to thank you now for your generosity

It is very important that the bequest be correctly stated in your will. Jeff Daughtry, Director of Planned Giving, is happy to work with you and your advisors in suggesting specific language to assure that your gift will be used according to your wishes.

Gifts to Mount Olive College through its program of planned giving totaled \$639,001 during the fiscal year ended June 30, 2009.

Direct Gifts	\$233,836
Matured Planned Gifts (Wills, Charitable Gift Annuities and Life Insurance)	\$405,165
Total planned gifts received	\$639,001

Have you ever wondered . . .

**Which assets are best left to my family?
Which assets are best left to my favorite charity?**

Jeff Daughtry is available to meet with you individually to answer these and other questions and to discuss financial and estate planning. All discussions are confidential. Please contact him at (919) 658-7831 or jdaughtry@moc.edu

Free Will Baptist Gifts Help Transform Lives

Mount Olive College was founded in 1951 by the Convention of Original Free Will Baptists with the intent of providing Christian Higher Education for the Free Will Baptist denomination, especially for ministers to further their education. The essence of that same desire is still present today with the inclusion of people from all denominations and all walks of life.

The annual church dinners began in 1963 as a means of financially supporting the College. That first year \$52,093 was given throughout 17 counties. Today the dinners are spread across 18 counties. Thanks to the help of volunteers that serve as dinner chairs for their church and those who serve on the steering committee for their county, last year the dinners generated \$540,427. Since 1963 the dinners have raised \$11,146,436 for the College.

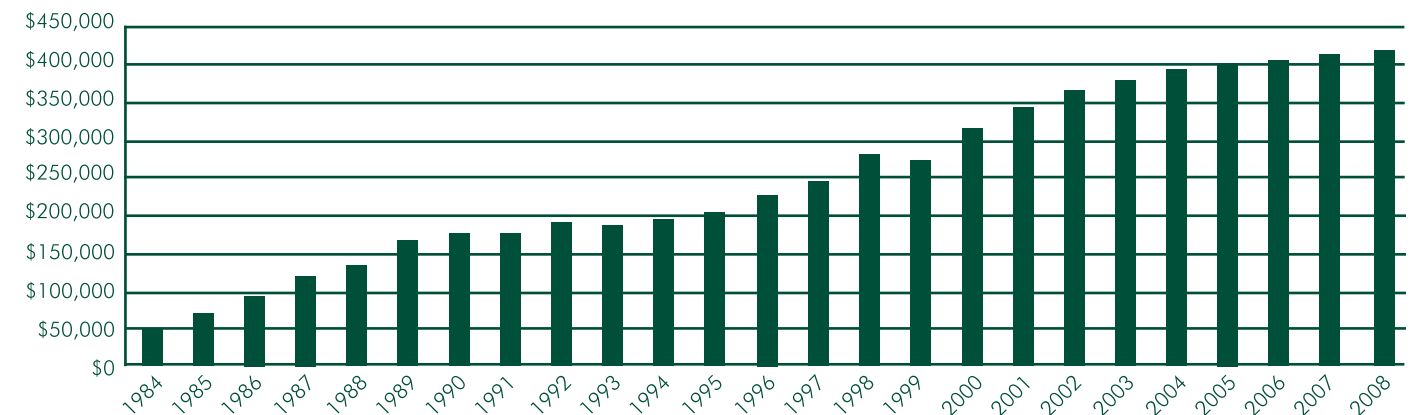

In 1984 the College began to make the transition from a two-year institution to a four-year institution, and it was then that this program adopted the name "Bridge Builders" program. It

was the desire that the FWB Church would help to bridge the gap in helping the College make the transition. To become a bridge builder an unrestricted gift of \$100 or more is made to the College. Today, the program still carries the "Bridge Builder" name and concept with pride. The only difference is that today the FWB Church is helping to bridge the gap for students to have the opportunity to transform their lives. The annual dinners help to fund the \$4 million given out in scholarships this year.

The College is grateful to those who have so prayerfully and faithfully supported this work over the years. It is these gifts that have made the difference in the lives of students and enabled the College to help students develop into the persons that they were created to be.
