

Study Guide Information

DSST:

There are free downloadable fact sheets on the DSST website (www.getcollegecredit.com) on every exam offered. Each fact sheet gives an outline of what topics are covered, the percentage of each topic covered, a few sample questions and a list of related sources that can be either checked out from the library system or bought at a bookstore or online in order to study further.

CLEP:

Study guides are available either by ordering them through the CLEP website (www.collegeboard.com) or by buying them from any major bookstore like Books-A-Million. CLEP study guides range in price from \$10-\$30 and offer subject based information as well as practice exams. Be sure to buy the study guides that are published by College Board. The best guides to buy are for the individual exam you will be taking, not the book that has a sample of all tests in it.
