## VA Education Benefit Information

---

Most information concerning the use of VA Education Benefits at MOC can be found on the MOC Veterans Affairs webpage, including links, instructions, checklists, and Frequently Asked Questions.

Visit [www.moc.edu/veteransaffairs](http://www.moc.edu/veteransaffairs)

If you used VA Education Benefits **prior** to attending MOC (“transfer students”), we will need a copy of your **Request for Change of Program or Place of Training**. Those who have **never** used VA Benefits (“new students”) can apply for VA Benefits by using the link on the MOC Veterans Affairs webpage and following the link to the appropriate online application. Once you have applied for your benefits, please print your **application and submit it to MOC**. We also need a copy of your **Certificate of Eligibility** as soon as you receive it from the VA.

If you plan to use **MyCAA**, we will need copies of **all enrollment paperwork** submitted to the VA. Please submit enrollment paperwork by **individual class**, not by semester or program.

**Please see the website above for additional instructions and forms.**

**These documents must be received before any payments can be made!**

MOC Jacksonville students with specific questions about VA or Tuition Assistance can contact Angela Okell-Watson from our New Bern location at 800-868-8479 or [aokell@moc.edu](mailto:aokell@moc.edu).
