

## Financial Aid Scenarios for Traditional Students

The following financial aid scenarios reflect possible financial aid packages for full-time traditional students entering Mount Olive College during the 2009-2010 academic year.

2009-2010 Direct Cost: \$19,996.

Direct cost covers full-time tuition, fees, room and board for the academic year. The direct cost stated above is based upon specific dorm accommodations. Residing in a campus apartment or the new residence facilities may change your out of pocket expense. These scenarios do not include book charges.

Scenario #1	Scenario #2	Scenario #3
<p>Student from: NC Resident            Number in Family: 4            Family Members in College: 2            Family Adjusted Gross Income: \$50,090            Expected Family Contribution from FAFSA: \$2,717            GPA / SAT: 3.26 / 1020 without writing component</p>	<p>Student from: Out-of-State            Number in Family: 10            Family Members in College: 1            Family Adjusted Gross Income: \$20,577            Expected Family Contribution from FAFSA: 0            GPA / SAT: 2.86 / 930 without writing component</p>	<p>Student from: NC Resident            Number in Family: 5            Family Members in College: 2            Family Adjusted Gross Income: \$36,523            Expected Family Contribution from FAFSA: \$796            GPA / SAT: 3.67 / 1050 without writing component</p>
